- In this difficult time, the right information and support have become very critical in fighting the COVID-19 challenge.
- At this current juncture following COVID appropriate behavior, supporting each other and getting oneself vaccinated are like three mantras for citizens to follow strictly.
- SCAN is an effort by SAKSHAM to reach and support Divyangjan in achieving the above goals.

- SCAN is trying to contribute in the following areas:
  - To ensure maximum participation of Divyangjans & their family members in the **COVID-19 vaccination drive**.
    - Registration for Vaccination – Guided By Volunteer / Filled By Volunteer
    - Arranging accessible transportation for PwDs
      - Free transportation by SAKSHAM/any volunteering organizations
      - Arrangement of Paid Service
    - Vaccine Consultation
  - Working towards providing **basic medical consultation**.
    - **Doctor's consultation** – Preventive, Primary, Emergency ,Post - COVID & Side effects
    - **Physiotherapist/Dietician** – Advisory & Webinar
  - **Information on path labs, home collection**

**As an evolving initiative, we seek your kind support to broaden our reach & impact the PwDs community in the maximum possible manner.**
